which he declares for Grant.

Hon, W. D. Bloxham for Governor.

Congressman at large.

the Grant party. in 1861-2, has declared, in an able letter. for Greeley. His influence will be felt

powerfully in that tier of Pennsylvania counties which border on New York. It is probable that each of the weaker

small majority, but that thousands of cution. those who voted for him before will vote for Greeley. He writes, further, that if the State goes Republican by a reduced

sure of carrying even Massachusetts. One of his organs, the Boston Traveler, says of General Banks: "He thinks he sees the rising wave, and wants to float on top." The Evening Bulletin, more explicit, says he wants to be the Demo-

In 1868 Maine gave Grant thirty thou-sand majority. In 1871 the majority was reduced to about closes the majority was reduced to about eleven thousand, there caution which a stranger, who ran no being no thorough canvass and the Radsuch risk, would hardly take. In the prize is 12.00 being no thorough canvass and the Radicals making no special effort to get out their full vote. The actual majority of the Radicals in Maine, previous to the union of Liberals and Democrats, was, we think, twenty thousand. But the same reasons which pulled Grant down in North Carolina are operating in Maine. They are tired of General Grant. They want a change. The Democrats and file had been force displayed the corpse had twelve wounds, and file had been force displayed through the care "suspected wounds, and file had been force displayed through the care "suspected wounds, and file had been force displayed conservatives are acting together with entire harmony in all parts of the Union. They are so acting in Maine, and for these reasons the renominationists are scared.

The Courier-Journal says it cannot the first the prosecution which was contacted the contact of the prosecution which was contacted the contact of the Crown that this very such that there were "suspicious circumstances," when the fact of a foul murder was clearly established. It is now asserted by the Crown that this very subscribers in this city. The following-named gentlemen are the Counter-Journal says it cannot the prosecution which was contacted the prosecution which was contacted and the prosecution which was contacted to the public of the patriciat, by the Crown that this very the contact the patriciation of show asserted by the Crown that this very the contact the contact the patriciation of show asserted by the Crown that this very the contact t THE Courier-Journal says it cannot be denied that the popular feeling runs pretty strongly against the banks in the matter of the Atward france. For those

The allan Line of steamers is greater than was anticipated. The number of these vessels has been steadily increased until a steamer every other day, will soon leave Norfolk. Agencies for the line have been established everywhere in this and adjacent States by Messrs. Donoho & Bulkley; through freight and passenger trains to Norfolk and Baltimore will and the prisoner was pecuniarily embarrassed, but the Judge properly, we think, rejected it as irrelevant. Guilt ough to be proved without going into the point whether the accused was tempted to the deed by poverty; that is an incentive too common to be dragged into a particular case. A few minutes after the murder must have been committed, Mr. Montgomery was seen to come out of the bank door without his hat, to look up and down, then go away. When engaged for several hours afterward in investigating the case he kept trains to Norfolk and Baltimore will THE ALLAN LINE AND MEMPHIS AND that the prisoner was pecuniarily emadjacent States by Messrs. Donoho & Bulkley; through freight and passenger trains to Norfolk and Baltimore will and vastly to the profitableness of the steamers, and the South may at length begin to congratulate itself on at length begin to congratulate itself on the first practical illustration of the bulk at or near the very moment of the premises, and then put to built first practical illustration of the bulk at or near the very moment of the premises, and then put to built first practical illustration of the bulk at or near the very moment of the crime. Next day he went with another sub-inspector to examine the premises, and then put to built be sent free on application to REV. J. G. ZEALAND, S. J., President of St. Louis University, audday

This Gin, or light draft, makes a good sample, and will pick more lint from the same amount of seed cotton, and in less time that went with another sub-inspector to exmine the premises, and then put to
him the following question: "If a person were seen coming out of the bank

THE BLUNDERING COMMITTEE. THE BLUNDERING COMMITTEE. be asserted of any other friend or even intimate acquaintance of the murdered demning the inaction of the Democratic Committee of the Eighth district. A committee which sacrifices a Congressional district to its own unwillingness to determine the relation of country for the social and official standing of the accused. A sub-inspector of constant of country in Ireland is a gentleman by birth and position. He mixes on terms of country with the country families. ne concurs with the APPEAL in con- man, vention. Moreover, this committee has no right to deny the people the right, through a convention, to exclude three land; and the antecedent improbability must be an educated man. The conception of such a crime by such a person is rare in most countries—very rare in Irection of the conception of the

THE Conservative State Convention or because of incapacity for its proper at Jacksonville, Florida, nominated tasks shown by a committee of excellit is strange enough that this crime, it is strange enough that this crime, lent gentlemen. It is very well for the among the most remarkable known in The Grantite State Convention at Montgomery, Alabama, after a stormy the candidature of four Democrats elects and the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of the one force that the country for years, should be attributed to a member of t Montgomery, Alabama, after a stormy the candidate of four Demonstrate. Celtic countrymen may be so justly session, nominated David P. Lewis for the candidate of the Radicals. White proud as the Royal Irish Constabulary, to which Sub-Inspector Montgomery as that which imposes the absolutely belonged. The private Constables are inevitable mastery of blacks. Even all of the peasant class, but faithful to As was supposed, the letter attributed to Mr. Greedey, saying that he would only carry four Eastern States, is a forgery. Forgery is the favorite weapon of the Grant party.

So it is here. Men love to prate suspicion of mutiny. They are Roman of their case, is a forgery is the favorite weapon of the Grant party.

So it is here. Men love to prate suspicion of mutiny. They are Roman october, 1872, at the office of the Texas and Pacific Railway Company at Marshall, Texas for the Granting of five hundred (850) miles of the Texas for the Granting of five hundred (850) miles of the Texas and Pacific Railway, divided into the following divisions:

The control of the state of the Texas and Pacific Railway, divided into the following divisions: As was supposed, the letter attributed so it is here. Men love to prate their salt and superior to the faintest While Barbour Lewis leads a compact Hon. Galusha Grow, for many years a Republican member of the policy a paid plans of Research to the ballot-House of Representatives from Northern unless a paid pimp of Barbour, voting unless they faced serious perils other than the straight ticket. Call it what you may, "Democratic" or "Conservative Republican," the white people will yote for it solidly, compactly and as Pennsylvania, and Speaker of that body other than the straight ticket. Call it a unit. Here, in the Ninth district, midday murder suggests many others there is sufficient equality of Radical which ended in the impunity of the and Democratic numbers to render the criminal; and the case of Mr. Little, and Democratic numbers to render the appearance of two Democratic aspirants candidates in the Tupelo (Mississippi) | impossible; in the Brownsville-Jackson

Congressional Convention will co-oper-district the Democratic majority is ate against the strong one and defeat so great that overweening confihim, and then comes a general scram-dence becomes more dangerous than ble, in which luck wins the day, and the least possible majority, and a dent that the criminal was one acquaintfitness, and genius, and intelligence are nomination is as indispensible in the clerks. The person charged in that case

A CIRCUMSTANTIAL CASE. the State goes Republican by a reduced majority at the coming election, it will in the history of modern crime, the duty of the police. It was Mr. Montundoubtedly go for Greeley by a large Newtown-Stewart murder will occupy a gomery's omission to make such inquiprominent place. The victim was a ries that first turned suspicion on THE President, during a recent conversation, casually remarked that Mr.

Summer is not the true friend of the black man. Mr. Summer will not be black man. Mr. Summer will not be surprised at this assertion of the President because the Senator has himself that personal interviews wifth Mr. Grant at the Executive Mansion, and knows something about his political knowledge, and will have due charity for his ignorance. The President's compaign conance. The President's campaign conversation will hardly elect him.

evident that the assassin knew the ground and the "situation." The town was on that day deserted by a Ir would seem that Grant is not now force, drafted off to a neighboring fair

custom for Irish branch banks to have any record of the numbers of their notes—a very strong inducement to robbery or these organs, it is the prospect of advancement which leads one of the shrewdest politicians in New England to desert the sinking ship that carries Grant's political fortunes.

The Hon. Galusha A. Grow, of Pennsylvania, is among the latest of the prominent men who have left the Grant of the prominent men who have left the Grant of the prominent men who have left the Grant of the content of the sassassins who have hither to devoted themselves almost extends to have any record of the numbers of their notes—a very strong inducement to robbery or theft, so strong that we cannot understand the absence of the procaution. Some days after the murder a bundle of motes, to the value of one thousand dolairs, was found in a neighboring wood; they were stained with blood. We have here all the traces of murder and robbery, and, considering that the scene is laid in Ireland, the first idea of many readers will be that some of the assassins who have hither-to devoted themselves almost extended to the prominent men who have left the Grant to devoted themselves almost extended to the prominent men who have left the Grant to devote themselves almost extended to the prominent men who have left the Grant to the confederate Dead of Georgia, and those soldiers from other Confederate Dead of Georgia, and those soldiers from other Confederate Dead of Georgia, and those soldiers from other Confederate Dead of Georgia, and those soldiers from other Confederate Dead of Georgia, and those soldiers from other Confederate Dead of Georgia, and those soldiers from other Confederate Dead of Georgia, and those soldiers from other Confederate Dead of Georgia, and those soldiers from other Confederate Dead of Georgia, and those soldiers from other Confederate Dead of Georgia, and those soldiers from other Confederate Dead of Georgia, and those soldiers from other Confederate Dead of Georgia, and those soldiers from other Confederat
